Game Play:

Participants will be presented with 12 questions and four possible answers to choose from within a time limit of 30 seconds. Correct answers will enable you to proceed to the next question while a wrong answer will end the game.

Participants need to answer as many possible questions correctly to work their way up the money tree and stand a chance of winning the virtual 1 crore

Each question is worth a maximum of the next money tree value. As seconds ticks down you lose points, so be sure to answer as quickly as possible.

If you answer incorrectly or run out of time then your score will return to the points you had at the last milestone.

Walk Away:

You can walk away at any time and conserve your winnings by selecting the Walk Away button at the top of the screen

Lifelines:

You have four lifelines available to help you get that elusive virtual 1 CRORE.

Phone a Friend:

Selecting Phone a Friend gets the computer to connect you to a virtual friend for helpful advice.

Ask the Audience

Selecting Ask the Audience gets the audience to vote on the correct answer. This is extremely helpful when you're struggling. Watch out though: the audience isn't always right.

Double Dip

Selecting Double Dip means you can answer the question once, and have another try if you get it wrong!

Ask the Expert

Selecting Ask the Expert gets the game's resident Expert to tell you their answer for the question you are stuck on
