Amitabh replaces SRK for 'KBC 4'

MUMBAI: Mega star Amitabh Bachchan, who made a successful comeback to showbiz through *Kaun Banega Crorepati* in 2000, is back on the quiz TV reality show.

He has replaced Shah Rukh Khan, who hosted the third season, for the fourth season of the show, which will now be telecast on Sony TV.

The 67-year-old star said "it is a great honour and pleasure to be associated with the show once again".

"The format of KBC is known to everyone," he said.

Words like "Computerji" and "Lock Kiya Jaye?" became part of daily life and helped Mr. Bachchan relaunch his career in Bollywood. The actor also hosted the second season of the show on Star Plus. - PTI
